

Zonta Club of Cincinnati Celebrates 100 years of Empowering Women! Join us Saturday, April 13, 2019, 6pm at beautiful Clovernook Country Club

The Zonta Centennial Celebration and Fundraiser will honor Dianne Dunkelman, Founder, President and CEO of Building Healthy Lives Foundation and its outstanding signature project, Clever Crazes for Kids, with the Zonta Club of Cincinnati Marian de Forest Award. There will also be fun-filled opportunities to raise funds for scholarships while our 200 guests enjoy a delicious dinner, dessert and dancing.

A century ago Marian de Forest, founder of Zonta International, dreamed of an organization of executives that would unite women and help them reach their rightful place in professions that were rarely led by women. Since the creation of Zonta International in 1919, our members have dedicated the last century to empowering women both inside and outside of Zonta, through service, advocacy, and education.

Ms. Dunkelman's outstanding contributions to our community include her founding and executive leadership as President and CEO of National Speaking of Women's Health Foundation and its multiple events held in locations across the nation. When she had an opportunity to transfer the Speaking of Women's Health project to the Cleveland Clinic Foundation, she became focused on an innovative program using technology and clever games to motivate kids to learn about STEM, now STEAM (science, technology, engineering, mathematics and art) and how to use it in their everyday lives. Her vision is a perfect fit for the Zonta Club of Cincinnati Marian de Forest Award.

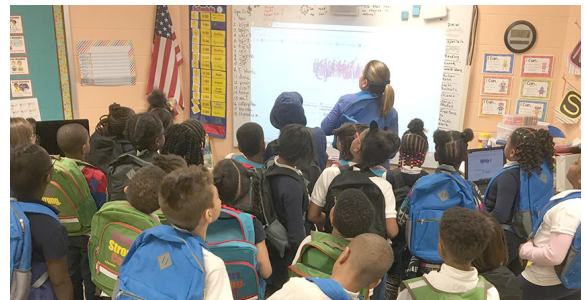

Since 2011, the Zonta Club of Cincinnati has raised nearly \$100,000 for scholarships for women attending Cincinnati State Technical and Community College.

"I'd like to create a career and life that makes the world a better place. Your donation will not be wasted. I am a second-year student in the Environmental Engineering Technology Program and would like to continue to get my Bachelor's Degree. In fact, my middle daughter attends Cincinnati State as well!"

2018-2019 Zonta's Ann Rasche Scholarship recipient Cecily Simmons

“Earning Amelia Earhart scholarship reminds me how important my research is, and how it can contribute to the society, which brings my research to an advanced level. It has been a great honor, I am also motivated to inspire more and more young women into science and engineering in future as well.”

Zonta International Amelia Earhart Fellowship recipient Jianing Li
